REQUEST FOR PERMISSION TO WITHDRAW AS COUNSEL

Comes now Baker Botts L.L.P. ("Baker Botts") and moves for permission to withdraw as counsel for EnviroSafe Labs, LLC ("Registrant").

Registrant has either relocated or ceased business and failed to notify Baker Botts of a current mailing address or other contact information. Numerous attempts to contact the Registrant and its principal, Craig T. Gant, have been unsuccessful. In addition, Registrant has failed to pay one or more bills for an unreasonable period of time. Consequently, pursuant to 37 C.F.R. § 10.40(c), Baker Botts respectfully requests that the Trademark Trial and Appeal Board grant to it permission to withdraw from representing the Registrant in the above-referenced matter.

Baker Botts has attempted to give due notice to the Registrant that it is withdrawing from employment and will be filing this request with the Trademark Trial and Appeal Board in a letter dated January 9, 2003 to Registrant at its last known address. The letter was returned undeliverable.

Baker Botts has not delivered to the Registrant all papers and property in its files concerning the prosecution of the above-referenced matter because Baker Botts has been unable to locate Registrant.

Respectfully submitted,

Dated: February 17, 2003
