On July 17, 2002, the Board suspended proceedings for settlement negotiations. Thereafter, on January 23, 2003, petitioner filed a consented motion to further suspend proceedings to continue settlement negotiations. The motion is granted to the extent indicated below.

In view thereof, proceedings herein will remain in suspension for a **further six-months** from the mailing date of this order, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for file an answer or other response to the petition for cancellation.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
