v.

DELCOMP, INC.

Jyll S. Taylor, Attorney:

Opposer's motion (filed September 15, 2003) to extend the discovery and trial periods, with applicant's consent and opposer's motion (filed December 5, 2003) to suspend, with applicant's consent are granted.

Opposer's motion (filed January 26, 2004) to continue suspension, with applicant's consent is granted as modified. In accordance with Board practice and because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until **six months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting trial dates.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
