PETITION FOR CANCELLATION
OF REGISTRATION NO. 2,045,116

Petitioner, Speedway SuperAmerica LLC, a Delaware Limited Liability Company, having its principal place of business at 500 Speedway Drive, Enon, Ohio 45323, believes that it is, and will continue to be, damaged by the registration of SPEEDWAY (Reg. No. 2,045,116) for "cleaning preparations for automobiles, chrome polish, waxes for automobiles, compounds for automobiles." This registration issued March 11, 1997 and the owner of record is Registrant, USA Detergents, Inc., a New Jersey, corporation, having its principal business offices at 1735 Jersey Avenue, North Brunswick, NJ 08902. Petitioner hereby requests cancellation of Reg. No. 2,045,116 for the reasons set forth herein.

Petitioner alleges as follows:

1. Petitioner has adopted and, at all times pertinent hereto, has used the mark SPEEDWAY in commerce in connection with a wide variety of goods and services related to automobile servicing, automobile maintenance and retail store services associated with

the offering of these goods and services.

2. Petitioner, through its predecessors-interests, claims a first use date for the mark in 1935 and a first use date in commerce in 1952, which, upon information and belief, predates any use of the SPEEDWAY mark by Registrant.
3. Petitioner owns the following relevant trademark registrations: SPEEDWAY FUEL CARD (Reg. No. 1,987,536) for “credit card services” (registered: July 16, 1996); THE CONVENIENCE STORES OF SPEEDWAY (Reg. No. 1,867,322) for “retail grocery store services” (registered: December 13, 1994); SPEEDWAY (Reg. No. 1,592,374) for “automobile and truck service station services” (registered: April 17, 1990); SPEEDWAY and Design (Reg. No. 1,530,103) for “automobile and truck service station services” (registered: March 14, 1989); S SPEEDWAY (Reg. No. 1,530,104) for “automobile and truck service station services” (registered: March 14, 1989); S SPEEDWAY and Design (Reg. No. 1,527,706) for “gasoline” (registered: March 7, 1989); SPEEDWAY (Reg. No. 1,168,689) for “gasoline station services” (registered: Sept. 8, 1981); SPEEDWAY (Reg. No. 1,167,946) for “motor oil, automatic transmission oils, multipurpose grease and gasoline” (registered: Sept. 8, 1981); and SPEEDWAY (Reg. No. 816,870) for “gasoline and lubricating oil” (registered: Oct. 18, 1966). These registrations are prima facie evidence of Petitioner's ownership of the trademark shown in the registrations are prima facie evidence of Petitioner's exclusive right to use the trademark

shown in the registration in commerce in connection with the goods/services listed in the registrations. Further, several of these registrations have achieved incontestable status and thus, the registrations are conclusive evidence of the validity of the trademarks listed therein and Petitioner's exclusive right to use those trademarks in commerce, in the advertising, marketing, manufacturing and sale of the goods and services identified therein and for related goods and services.

4. Further, Petitioner owns the following relevant trademark application: S SPEEDWAY SPEEDY WASH and Design (Ser. No. 78/088,344) for "vehicle service station services; vehicle cleaning and washing services" filed October 15, 2001.
5. Petitioner's SPEEDWAY trademarks are of significant value to Petitioner as an identification of source in connection with the promotion and offering of its goods and services. Further, Petitioner's trademark operates to distinguish Petitioner's goods and services from the goods and/or services of others.
6. The trademark SPEEDWAY used by Petitioner for its goods and services, and the designation SPEEDWAY as registered by Registrant for its goods and services, are identical in wording, pronunciation, sound and spelling, and appearance. Further, Registrant's mark is virtually identical and/or contains common elements with Petitioner's other SPEEDWAY marks. Thus, it is clear that the mark for which cancellation is sought so resembles Petitioner's mark as to be likely to cause confusion, or to cause mistake, or to deceive.

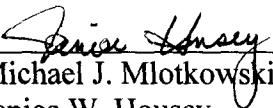

7. On information and belief, the goods and services of the type recited in Registrant's SPEEDWAY registration are closely related to the goods and services offered by Petitioner. Further, Registrant's and Petitioner's goods may be offered to the same classes of purchasers through the same channels of trade.
8. Purchasers and prospective purchasers familiar with Petitioner's goods and services identified by its SPEEDWAY mark are likely to be misled into believing, contrary to fact, that Registrant's goods sold under the virtually identical mark emanate from or are in some way sponsored by Petitioner, all to Petitioner's irreparable damage through loss and/or dilution of its good will as symbolized by Petitioner's trademark.
9. Petitioner has been and will continue to be damaged by the continued existence on the Register of Registration No. 2,045,116, in light of Petitioner's current and future intentions to use the virtually identical designation, SPEEDWAY, alone and with other terms or phrases, in connection with a wide variety of goods and services related to gasoline stations, retail stores and other goods and services. Moreover, such registration inhibits Petitioner in its free use of, and natural expansion of, the SPEEDWAY mark in identifying and promoting its goods and services, which would work damage upon Petitioner.

A check in the amount of \$300.00 to cover the official filing fee and a duplicate copy of this Petition is attached hereto.
