Re: United States Cancellation Proceeding
Petitioner: WELLNESS RESOURCES, INC.
Registrant: GRIFFIN, NANCY M.
Cancellation No.: 92041697
Mark: THE WELLNESS RESOURCE
Our Ref: WEL002ZZTM01

Dear Mr. Dranit:

We received your Motion to Compel Responses, Request for Protective Order and Request for Sanctions dated 12 February 2004 on 17 February 2004. As I'm sure you are aware, we forwarded responses to your Interrogatories and Document Requests on 10 February 2004. It would appear that our responses crossed in the mail with your motion.

Since you have now received responses to your written discovery, we trust that you will withdraw your Motion to Compel Responses, Request for Protective Order and Request for Sanctions, and would appreciate receiving written notice to that effect. Should you decide to maintain these motions, we would appreciate receiving notice to this effect in sufficient time to permit timely filing of a responsive brief.

With kind regards,

Michael S. Sherrill
