C.S. Lewis (PTE.) Ltd.

v.

Matthew B Singer

Eric McWilliams, Paralegal Specialist

Petitioner's consented motion filed (March 25, 2004), for a continued suspension of proceedings is granted.

Because the parties are negotiating for a possible settlement of this case, proceedings herein remain suspended until **two months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next two months, the Board will issue an order resuming proceedings and resetting the time for petitioner to file its response to the motion to dismiss. In view of the suspension for the "finalization of settlement," a decision on the motion to dismiss is deferred.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
