This motion is not being interposed for purposes of delay. The parties are currently engaged in settlement negotiations. Over the past several weeks, the parties have exchanged settlement proposals by email and by phone. As a result, Petitioner has good reason to believe that a settlement will be reached by the parties. Petitioner, therefore, respectfully requests that this motion to extend trial dates be granted by the Board for the purposes of concluding such settlement negotiations.

Counsel for Registrant has expressly consented to this Motion to Extend trial periods.

Respectfully submitted,
