In the matter of trademark Registration No. 2,346,798  
For the mark BIO SOY and Design  
Registered on May 2, 2000  
PROBIOHEALTH, LLC,

Cancellation No. \_\_\_\_\_

—  
Petitioner,

v.

ARKSON NUTRICEUTICALS CORP.,

Registrant.

TO THE COMMISSIONER OF PATENTS AND TRADEMARKS:  
PETITION FOR CANCELLATION

PROBIOHEALTH, LLC ("Probiohealth"), a limited liability company organized under the laws of the state of Delaware, with an office located at 350 S. Beverly Dr., Suite 170, Beverly Hills, CA 90212, believes that it will be damaged by the continuing registration of the designation BIO SOY and Design for "dietary food supplements containing all natural fermented soy compounds, isoflavones, genistein, daidzein, vitamins, minerals and amino acids, produced in a controlled environment in the form of powder, beverage powders or liquid form," Reg. No. 2,346,798, registered on the Principal Register of the U.S. Patent and Trademark Office, and hereby petitions to cancel the same.

To the best of petitioner's knowledge, the name and address of the current owner of Registration No. 2,346,798 is Arkson Nutraceuticals Corp. (Arkson), with an office located at 13230 E. Firestone Blvd. M, Santa Fe Springs, CA 90670.

As grounds for cancellation it is alleged that:

1. Petitioner Probiohealth has filed a trademark application, serial number 78/242,669 on April 23, 2003, for the mark PROBIOSOY based on a bona fide intent to use the mark in commerce, in connection with the following goods, as amended: "probiotics in the nature of a dietary supplement containing soy, soybeans, soy proteins and soy extracts".

2. In an office action dated June 16, 2004, United States Patent and Trademark Office examiner Marc J. Leipzig continued his refusal of registration of this mark under Trademark Act Section 2(d), because it "so resembles" Arkson's registration for BIO SOY and Design "as to be likely to cause confusion, to cause mistake, or to deceive".

3. On information and belief, Arkson has discontinued use of the BIO SOY and Design mark in association with the goods listed in the registration, and has abandoned the mark by failure to continuously use the mark in interstate commerce.

4. If, as the examiner contends, Arkson's mark so resembles Probiohealth's mark as to be likely, when applied to the goods or services listed for each mark, to cause confusion, then Arkson's registration should be cancelled due to non-use and abandonment.

5. Further, upon information and belief, since long prior to Arkson's claimed first use of its registered BIO SOY and Design mark in

September of 1998, the term "bio" has long been used in connection with goods such as Arkson's, and the entire mark is therefore descriptive of the goods identified under Arkson's registration.

6. Probiohealth will be damaged by the continuing registration by Arkson of BIO SOY and Design, because such registration will give color of exclusive statutory rights in Arkson, when in fact the term "bio" registered is descriptive and Registrant not likely the first user of the term for which registration was received, and the "bio" portion of the mark is a term that has been used by others in a descriptive sense for several years.

WHEREFORE, Petitioner believes that it will be damaged by the continuing registration of registrant's said designation and prays that the registration No. 2,346,798 be cancelled on grounds of non-use and abandonment, and on grounds of the term's descriptiveness.

Please recognize as attorneys for Petitioner in this proceeding Jessica Stone Levy, Louis C. Cullman, Glenn C. Schroeder, J. Christopher Lynch and the law firm of Preston Gates & Ellis LLP, 925 Fourth Avenue, Suite 2900, Seattle, Washington, 98104.

Please address all communications to Jessica Stone Levy, at Preston Gates & Ellis LLP.

The filing fee believed to be in the amount of \$300.00 is enclosed herein.

DATED this 15th day of December, 2004.

**TTAB NOTICE CONCERNING CORRESPONDENCE ADDRESS  
(TRADEMARK RULE 2.18)**

The Trademark Trial and Appeal Board will mail correspondence to only one address for each party.

If a party is located in the U.S., correspondence will be sent to the party's own address, unless (1) papers filed with the Board are filed by a party's attorney, (2) a written power of attorney is filed, (3) a written authorization of some other person entitled to be recognized is filed, or (4) the party requests in writing that correspondence be sent to another address. In these situations, correspondence will be sent, respectively, to (1) the attorney filing papers, (2) the attorney named in the power of attorney, (3) the other person designated in the written authorization, or (4) the other address specified by the party.

When one attorney or other authorized representative makes an appearance on behalf of a party, his address is noted on the proceeding file as the correspondence address. If a second attorney or other authorized representative makes an appearance on behalf of the party, and requests that correspondence be directed to him, the correspondence address on the proceeding file will be changed, and future correspondence will be sent to the second attorney or other authorized representative, rather than to the first one. If the second attorney or other authorized representative does not request that correspondence be sent to him, the Board will continue to send correspondence to the first attorney or authorized representative.

If a power of attorney from a party to one attorney has been filed, and thereafter another attorney or authorized representative makes an appearance on behalf of the party and asks that correspondence be sent to him, the second attorney or authorized representative will be required to submit authorization, from the party or from the first attorney, for the requested change in correspondence address.

If a power of attorney from a party to one attorney has been filed, and thereafter a power of attorney from the party to another attorney is filed, the second power of attorney will be construed as a written request to change the correspondence address from the first attorney to the second one, even if there is no revocation of the first power, unless the party or the first attorney directs otherwise. Likewise, if an attorney makes an appearance on behalf of a party, and thereafter the party files a written power of attorney to another attorney, the Board will send subsequent correspondence to the appointed attorney.

If a power of attorney from a party to one attorney has been filed, and thereafter that attorney files an "associated power of attorney" to another attorney, the correspondence address will remain unchanged, and the Board will continue to send correspondence to the first attorney, unless the first attorney or the party directs otherwise.

In the case of a party whose application is the subject of a Board proceeding, any appearance or power of attorney (or designation of other authorized representative) of record in the application file at the time of the commencement of the Board proceeding is considered to be effective for purposes of the proceeding, and correspondence will be sent initially to that address. Thereafter, the correspondence address may be changed as described in Trademark Rule 2.18.

In the case of a party whose registration is the subject of a Board proceeding, any representative which may be of record in the registration file at the time of the commencement of the Board proceeding is not considered to be effective for purposes of the Board proceeding. Rather, correspondence is sent to the registrant itself unless and until another correspondence address is established in the manner described in Trademark Rule 2.18.

## NOTICE CONCERNING ALTERNATIVE DISPUTE RESOLUTION (ADR)

The Trademark Trial and Appeal Board encourages you to consider alternative dispute resolution as a means of settling the issues raised in this opposition or cancellation proceeding. Although more than 95% of Board proceedings are decided prior to trial (by settlement or by entry of pre-trial judgment), alternative dispute resolution techniques might produce an earlier, mutually agreeable resolution of your dispute or might, at least, narrow the scope of discovery or the issues for trial. In either case, alternative dispute resolution might save you time and money.

Many non-profit organizations, both inside and outside the intellectual property field, offer alternative dispute resolution services. Listed below are the names and addresses of organizations that have indicated that they can make arrangements for alternative dispute resolution. The listings are given for your convenience; the Board does not sponsor nor endorse any particular organization's alternative dispute resolution services.

<b>International Trademark Association</b> Telephone: (212) 642-1726 Fax: (212) 768-7796 <a href="http://www.inta.org/adr/index.shtml">www.inta.org/adr/index.shtml</a> e-mail: <a href="mailto:lstigliano@inta.org">lstigliano@inta.org</a>	<b>CPR Institute for Dispute Resolution</b> Telephone: (212) 949-6490 Fax: (212) 949-8859 <a href="http://www.cpradr.org">www.cpradr.org</a> e-mail: <a href="mailto:info@cpradr.org">info@cpradr.org</a>
<b>American Intellectual Property Law Association (AIPLA)</b> 2001 Jefferson Davis Highway Suite 203 Arlington, Virginia 22202 Telephone: (703) 415-0780 Fax: (703) 415-0786	
<b>American Arbitration Association (AAA)</b> Headquarters 140 West 51 <sup>st</sup> Street New York, New York 10020-1203 Telephone: (212) 484-3266 Fax: (212) 307-4387	

Finally, if the parties consider using alternative dispute resolution in this proceeding, the Board would like to know; and if the parties actually engage in alternative dispute resolution, the Board would be interested to learn what mechanism (e.g., arbitration, mediation, etc.) was used and with what general result. Such a statement from the parties is not required but would be helpful to the Board in assessing the value of alternative dispute resolution in Trademark Trial and Appeal Board proceedings.
