Petitioner has now proposed terms of settlement, but the necessary personnel for Registrant are out of town. Accordingly, additional time is needed so that Registrant may fully consider the settlement proposal.

Both parties believe that the present settlement discussions are worthwhile and that the parties may reach an informal resolution of the present matter. The requested suspension will allow the parties to negotiate terms of settlement and if successful to draft the necessary settlement documents.

Petitioner has been contacted and the undersigned certifies that all parties agree to submission of the present motion. Registrant's attorney has been authorized to submit this document on behalf of, and with the consent of, both parties to this Cancellation proceeding.

DATED this 11th day of September, 2007.
