PETITIONER'S MOTION TO SUSPEND

Petitioner hereby moves that the above referenced proceeding be suspended for a period of ninety (90) days, and that all dates in the above referenced proceeding be reset as follows:

Petitioner's discovery period to close	February 6, 2010
Petitioner's testimony period to close	May 7, 2010
Registrant's testimony period to close	July 6, 2010
Rebuttal testimony period to close	August 20, 2010.

The parties are actively engaged in settlement discussions that may lead to a resolution of this matter. A written settlement agreement was prepared in January 2009, and several counterproposals have been made since then. Counsel for the parties have conferred by telephone and email several times in the past few months in an effort to resolve remaining issues, but additional time is needed to finalize all of the issues.

If the parties are unable to reach an agreement, additional time will be needed to resolve open discovery issues that have been deferred while the parties attempt to amicably resolve the matter. The parties hope to be able to resolve this matter in the near future.

Registrant's attorney has consented to the granting of this motion.
