Petitioner in the above-identified proceeding, Cancellation No. 92044657, hereby moves, pursuant to §510.03(b) of the Trademark Trial and Appeal Board Manual of Procedure and §2.117(c) of the Trademark Trial and Appeal Board Rules of Procedure, that the Honorable Trademark Trial and Appeal Board (hereafter the "Board") lift the suspension entered on February 28, 2006 and resume the proceedings.

On February 27, 2006, Petitioner and Registrant filed a joint stipulation to extend the discovery and testimony periods. The stipulated extension was necessitated by the parties settlement discussions which could not be concluded prior to the close of the discovery period. On February 28, 2006, in response to the joint stipulation, the Board entered an order suspending the proceedings for six months noting that either party had the right to resume the proceedings at any time. At this point settlement discussion have reached an apparent impasse. Accordingly, Petitioner pursuant to Trademark Rule 2.117(c) and the Board's Order of February 28, 2006, moves to lift the suspension and resume the proceedings.

Given the above, Petitioner proposes the following schedule of dates:

Discovery period to close:	June 30, 2006
Testimony period for party in position of plaintiff to close:	July 30, 2006
Testimony period for party in position of defendant to close:	September 28, 2006
15 day rebuttal testimony period for Plaintiff to close:	October 28, 2006

WHEREFORE, based on the above, Petitioner respectfully moves the Board to grant the motion to resume the proceedings and enter the proposed schedule of dates.

Respectfully submitted,
