Other Party	Defendant GOFISH.COM, INC Sea Fax, Inc. 511 Congress Street Portland, ME 04101

Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Discovery is currently set to close on 05/03/2006. AMERICA ONLINE, INC. requests that such date be extended for 60 days, or until 07/02/2006, and that all subsequent dates be reset accordingly. The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Discovery requests have been served. The parties have agreed that the time within which Registrant may respond to discovery requests be extended. The additional time is needed to provide Petitioner with an opportunity to review the discovery responses, and to make a determination as to whether additional discovery will be required.*

AMERICA ONLINE, INC. has secured the express consent of all other parties to this proceeding for the extension requested herein.

AMERICA ONLINE, INC. has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.

Certificate of Service

The undersigned hereby certifies that a copy of this paper has been served upon all parties, at their address record by First Class Mail on this date.

Respectfully submitted,
