v.

Cantine Caputo S.p.A.

Michael B. Adlin, Interlocutory Attorney:

On November 7, 2007, the Board granted petitioner's motion to compel, and ordered respondent to produce documents responsive to petitioner's document requests no later than December 1, 2007, and "without objection." This case now comes up for consideration of petitioner's motion for sanctions, filed January 2, 2008. Petitioner argues in its motion that sanctions in the form of judgment are appropriate because respondent violated the Board's November 7, 2007 order by maintaining objections to petitioner's discovery requests and by failing to produce responsive documents as ordered. Respondent has not responded to the motion for sanctions.

Accordingly, petitioner's motion for sanctions is hereby **GRANTED** as conceded. Trademark Rules 2.120(g) and

Cancellation No. 92045271

2.127(a). Judgment is hereby entered against respondent, the petition to cancel is granted, and Registration No. 2984449 will be cancelled in due course.
