v.

Southern Escrow & Title, LLC

**Cheryl Butler, Attorney, Trademark Trial and Appeal Board:**

The parties, on June 18, 2007, filed a copy of their executed consent agreement, entitled "Consent/Concurrent Use Agreement." In particular, the parties' agreement references petitioner's pending application Serial No. 78579373, stating, at paragraph no. 6, that upon the Office's approval of the agreement and issuance of the registration for petitioner's pending service mark application, petitioner will withdraw with prejudice this petition to cancel.

In view thereof, this proceeding is **SUSPENDED** under Trademark Rule 2.117(c), to accord the Examining Attorney an opportunity to consider the consent agreement the parties have entered into regarding petitioner's pending application, Serial No. 78579373 and related issues.

**Cancellation No. 92046646**

The Board advises petitioner that it is the responsibility of petitioner to submit a copy of the consent agreement to the Examining Attorney assigned to the application (presently suspended in Law Office 111 of the Trademark Examining Operation). In the event that the Examining Attorney does not accept the agreement, the parties are to notify the Board, and proceedings will be resumed. The Board may make a periodic inquiry regarding whether the Examining Attorney has reviewed the consent agreement. The parties should notify the Board if they or their attorneys have a change of address during the suspension period.
