v.

N.V. Sumatra Tobacco Trading
Company

**Robert H. Coggins,
Interlocutory Attorney:**

It has come to the Board's attention that respondent's April 10, 2007 consented motion (filed through ESTTA) to extend respondent's time to file an answer contains a request not fully addressed in the automatically ESTTA-generated Board order of the same day.¹ Although respondent stated in its motion that it sought a sixty-day extension of time to file an answer from March 7, 2007 to May 6, 2007, respondent also stated in the narrative of the motion that the parties sought and agreed to an extension of respondent's time to file an answer until June 11, 2007.²

¹ Respondent's May 8, 2007 appearance of counsel is noted and entered.

² It is noted that in the April 10, 2007 motion respondent stated that its answer was due March 7, 2007; however, pursuant to a January 22, 2007 Board order granting an earlier consented request, respondent's time for filing its answer was reset until March 10, 2007.

In view thereof, the Board's April 10, 2007 order granting respondent until May 6, 2007 to file an answer is vacated, and respondent's consented motion to extended its time to file an answer until June 11, 2007 is granted.

Discovery and trial dates remain as reset by Board order on March 7, 2007, pursuant to a consented motion filed by respondent via ESTTA on that same day. For the convenience of the parties, those dates are provided below.

15-day rebuttal testimony period to close:	3/29/08

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.
