Respondent's motion (filed June 18, 2007) to extend the due date to respond to petitioner's discovery requests to until June 25, 2007 is granted as conceded. See Trademark Rule 2.127(a).

The stipulated protective agreement filed by the parties on August 6, 2007 is noted. The parties are referred, as appropriate, to TBMP §§ 412.03 (Signature of Protective Order), 412.04 (Filing Confidential Materials With Board), 412.05 (Handling of Confidential Materials by Board).

The parties are advised that only confidential or trade secret information should be filed pursuant to a

stipulated protective agreement. Such an agreement may not be used as a means of circumventing paragraphs (d) and (e) of 37 CFR § 2.27, which provide, in essence, that the file of a published application or issued registration, and all proceedings relating thereto, should otherwise be available for public inspection.
