v.

Next Media I.P. Limited

On April 29, 2009 the Board allowed respondent thirty days to submit the appropriate fee and declaration, failing which the amendment would be given no further consideration.

On April 29, 2009, respondent filed a proper declaration and fee with the Board.

Inasmuch as the amendment complies with all of the procedural requirements of Trademark Rule 2.173, it is clearly limiting in nature, and petitioner consents thereto, it is approved. See Trademark Rule 2.133(a).

The amendment will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

The contingency in petitioner's withdrawal having now been met, the petition to cancel is dismissed without prejudice.
