Cancellation No. 92047855

Mr. George W. Spann

v.

SUPERIOR GdB

Karl Kochersperger, Paralegal

On August 29, 2007, respondent filed a paper with the Board stating "we herewith accept the petition for cancellation." It is unclear to the Board whether respondent is noting its receipt of the petition to cancel, consenting to entry of judgment against it or is voluntarily surrendering its registration. In view thereof, respondent is allowed until *thirty days* from the mailing date of this order to clarify its filing, failing which the Board will construe such filing as a consent to entry of judgment against it, whereby the Board will enter judgment against respondent and cancel the involved registration no. 2596467.

Furthermore, respondent's filing fails to indicate proof of service on petitioner, as required by Trademark Rule 2.119.

In order to expedite this matter, a copy of the paper is forwarded herewith to petitioner's counsel.

Notwithstanding, applicant is required to strictly comply with Trademark Rule 2.119 with all future papers filed with the Board.
