v.

SBJ Productions, LLC

On September 26, 2008, respondent filed a voluntary surrender under Section 7(e) of the Trademark Act of its Registration No. 3065364 without the written consent of petitioner, and requested that the case be "dismissed without prejudice."

Trademark Rule 2.134(a) provides that if the respondent in a cancellation proceeding applies to cancel its involved registration under Section 7(e) without the written consent of every adverse party to the proceeding, judgment shall be entered against respondent.

In view thereof, and because petitioner's written consent to the voluntary surrender is not of record, judgment is hereby entered against respondent, the petition to cancel is granted, and Registration No. 3065364 will be cancelled in due course.
