IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the matter of Trademark Registration No. 3,266,561 Registration No. 3,266,560	:	
Date registered: July 17, 2007	:	
ASICS Corporation, PETITIONER,	:	CANCELLATION NO. _____
V.	:	
Dynasty Footwear, Ltd., REGISTRANT	:	

PETITION FOR CANCELLATION

The Petitioner, ASICS Corporation ("Petitioner" or "ASICS") is a corporation duly organized and existing under the laws of Japan doing business at ASICS Corporation Head Office 1-1, Minatojima - Nakamachi 7 Chome, Chuo-Ku, Kobe, Japan.

To the best of Petitioner's knowledge, the owner of U.S. Registration No. 3,266,561 and U.S. Registration No. 3,266,560, on the Supplemental Register, as set forth in the records of the U.S. Patent and Trademark Office, is Dynasty Footwear, Ltd., a California limited liability company with an address at 800 North Sepulveda Boulevard, El Segundo, California 90245 ("Registrant").

Petitioner believes that it will be damaged by Registration No. 3,266,561 and Registration No. 3,266,560, as they relates to goods in International Class 25 for "footwear," ("Registrant's Marks"), and hereby petitions for cancellation of same.

The grounds for cancellation are as follows:

1. In view of the similarity of Registrant's and Petitioner's marks and the related nature of the goods of the respective parties, Registrant's Marks so resemble any one of Petitioner's registered marks, identified below, as to be likely to cause confusion.

2. Petitioner consistently identifies its products through the use of a registered, distinctive and famous stripe design trademark (the "Stripe Design" mark) that it prominently displays on its footwear and other products. Petitioner has used its Stripe Design mark prominently and continuously for approximately forty years nationwide to identify Petitioner as the source of products bearing this mark. During this period, Petitioner has committed enormous amounts of time, effort and money to developing a widely respected reputation as one of the premier manufacturers of high quality footwear and related apparel. Virtually all of Petitioner's footwear products bear the Stripe Design mark.

3. ASICS obtained its first registration of the Stripe Design mark on July 11, 1972, as Registration No. 937,464, for use on many types of shoes, including but not limited to running shoes. The date of first use of the mark was at least as early as October 1966. A U.S. Patent and Trademark Office ("PTO") TARR printout of this Registration is attached hereto as Exhibit A.

4. ASICS has also obtained numerous other trademark registrations for its Stripe Design mark for use on athletic shoes and other products including (i) Registration No. 1,303,804, for shoes and other products (first used in commerce October 1968) (ii) Registration No. 1,273,516 for duffle bags and other products (first used July 1973); (iii) Registration No. 1,273,615 for sports shoes and sportswear (first used February 1973); (iv) Registration No. 1,781,511 for socks, hats, inner soles, sock liners, and sandals (first used December 1972). These registrations are in full force and effect and have become incontestable pursuant to 15 U.S.C. § 1065. TARR printouts of these Registrations are attached hereto as Exhibit B.

5. Petitioner's Stripe Design mark was used, and its trademark registrations were issued, for the goods indicated therein, on the dates indicated. These registrations were based on applications filed in the U.S. Patent and Trademark Office on dates prior to February 2006, the first use date claimed in Registration No. 3,266,561, prior to August 2004, the first use date claimed in Registration No. 3,266,560, and prior to October 17, 2006, the filing date of Registrant's Marks. The trademark registrations of Petitioner are all valid and existing and are *prima facie* evidence of Petitioner's exclusive rights to use these marks in commerce on the goods specified in these registrations.

6. Petitioner's use of its Stripe Design mark has been continuous since its date of first use and the mark has not been abandoned. This mark is symbolic of the extensive good will and consumer recognition built up by Petitioner through substantial amounts of time and effort in advertising promoting and selling its goods under this mark over the years.

COUNT ONE

Likelihood of Confusion

7. Petitioner repeats and realleges each and every allegation set forth in paragraphs 1 through 6.

8. Petitioner's Stripe Design mark is confusingly similar in overall commercial impression to Registrant's Marks, and Petitioner uses its Stripe Design mark in connection with the sale, inter alia, of footwear in Class 25, which are identical to the footwear in Class 25 covered by Registrant's Marks. A simple visual inspection of the marks reflects that Petitioner's mark is confusingly similar to Registrant's Marks:

PETITIONER'S STRIPE DESIGN	REGISTRANT'S MARKS

9. In view of the similarity between Petitioner's Stripe Design mark, which has been used in the United States and has not been abandoned, and Registrant's Marks, and the identical nature of the goods of the respective parties, Petitioner's Stripe Design mark so resembles Registrant's Marks, as to be likely to cause confusion, or to cause mistake, or to deceive.

10. Petitioner has been and will be damaged by the Registrant's Marks because Registrant has obtained rights in the Registrant's Marks in violation and derogation of the established prior rights of Petitioner. In addition, Petitioner has been and will be damaged because Registrant's Marks is confusingly similar to Petitioner's Stripe Design mark, and consumers are likely to be confused between goods sold in connection with Registrant's Marks and those sold in connection with Petitioner's Stripe Design mark. Further, Petitioner will be damaged by Registrant's Marks because the presence of Registrant's Marks on the Supplemental Register will prevent Petitioner from being able to register confusingly similar marks on the Principal or Supplemental Register, thus conferring an unfair competitive advantage on Registrant.

11. The continued registration of Registrant's Marks to Registrant would be contrary to Section 2(d) of the Lanham Act, 15 U.S.C. 1052(d), and violate or diminish the prior and superior rights of Petitioner in Petitioner's Stripe Design mark.

COUNT TWO

Dilution

12. Petitioner repeats and realleges each and every allegation set forth in paragraphs 1 through 11.

13. In view of the strength of Petitioner's Stripe Design mark, the duration and extent of Petitioner's use and advertising of its mark, the nationwide use of Petitioner's Stripe Design mark, and the degree of recognition of Petitioner's Stripe Design mark, the Stripe Design mark has become famous and was famous prior to the filing date and registration date of the Registrant's Marks and the Registrant's first use of the Registrant's Marks.

14. Registrant's Marks and registrations cause, are likely to cause, and will cause, dilution of the distinctive value of Petitioner's Stripe Design mark under Section 43(c) of the Lanham Act of 1946, as amended, 15 U.S.C. 1125(c).

14. Registrant will be damaged if Registration No. 3,266,561 and Registration No. 3,266,560 continue to exist because Registrant, through its registration, has obtained rights in the Registrant's Marks in violation and derogation of the established prior rights of Petitioner.

WHEREFORE, Petitioner respectfully requests that Registration No. 3,266,561 and Registration No. 3,266,560 be cancelled in Class 25 from the Supplemental Register.

Respectfully submitted,

Dated: 8/30/07
