**SUPPLEMENTAL MOTION ON CONSENT
TO AMEND REGISTRATION NO. 2,703,564**

On November 7, 2008, Registrant filed a Motion on Consent to Amend Registration No. 2,703,564, which is the subject of Cancellation Proceeding No. 92048675. A copy of the Motion on Consent is attached hereto. As set forth in the Motion submitted November 7, 2008, the petitioner, Advantus Capital Management, Inc. consented to the amendment of the goods/services in International Class 36 as follows:

from

"Financial services, namely, financial management, financial forecasting and financial portfolio management; and monetary exchange services."

to

"Financial management services for the payment industry, namely services for processing financial transactions originating with payment cards."

On November 24, 2008, the Trademark Trial and Appeal Board issued an advisory notice indicating that the amendment would be deemed acceptable. However, the notice indicated that Trademark Rule 2.173(a) requires the appropriate fee and a verified statement under Trademark Rule 2.20. Accordingly, Registrant encloses herewith the \$100 fee for amending the registration.

In light of the foregoing, Registrant Servicios Para Medios De Pago, S.A.,

12-04-2008

through its undersigned attorney, hereby requests that U.S. Regis. No. 2,703,564 be amended as set forth above.

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statement made of his own knowledge are true; and all statement made on information and belief are believed to be true.

Respectfully submitted,
