Revocable Trust

Rochelle Adams, Paralegal Specialist:

Registrant's consented motion filed January 4, 2013 to suspend this proceeding for an additional six months until is noted. Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

However, the Board notes that the instant opposition proceeding was instituted on January 16, 2008. Since that date the parties have filed numerous requests for extension/suspensions of time occasioned by the commencement of settlement discussions.

In view thereof, all further requests for extension of time/suspensions **must be accompanied** by a report on the

progress of the parties' settlement talks sufficient to establish good cause for any continued suspension.

This report must include a recitation of issues that have been resolved: issues that remain to be solved: and a firm timetable for resolution. Absent such a report, the Board will look with great disfavor on any future motions to extend or suspend, even those stipulated to by the parties.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in the parties' January 4, 2013 motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
