Cancellation No. 92049709

Floyd Gaugh IV

v.

The Executor of the Estate
of Bradley James Nowell

On March 10, 2009, the parties filed a withdrawal of the petition to cancel with prejudice.¹ In view thereof, the petition to cancel is dismissed with prejudice.

*By the Trademark Trial
and Appeal Board*

¹ Petitioner indicated that the withdrawal was a **withdrawal of the opposition**, which we believe was in error, but actually a withdrawal of the petition for cancellation.
