v.

Itoys, Inc.

Clara Vela, Paralegal Specialist:

Respondent's consented "corrected" motion filed March 30, 2009 to extend disclosure, discovery and trial dates is granted.¹ Trademark Rule 2.127(a). Dates are reset in accordance with respondent's motion.

¹ Respondent's motion is in fact a request for an additional 30 day extension of time, as it extends all dates set forth in respondent's March 23, 2009 motion. Respondent failed to serve its motion in violation of Trademark Rule 2.119. To expedite matters, a copy of the motion is enclosed with the mailed copy of this order, but strict compliance with the Board's service requirements is required in any future motions.
