Petitioner Nature’s Way Products, Inc. and Registrant Cosmo Technologies, Ltd., hereby respectfully move for a thirty (30) day extension of the due dates in the Scheduling Order mailed February 19, 2009. Registrant’s Answer is currently due May 17, 2009. The requested extension will make the Answer or other responsive pleading due June 16, 2009 as shown below.

The requested extension is necessary to allow the parties to maintain the status quo while considering potential terms of settlement. Petitioner’s counsel has recently returned to the office after a surgery and this absence has caused an unexpected interruption in the settlement discussions. The parties have exchanged a draft of a settlement agreement which has the potential to resolve the present action. The requested extension allows the parties time to continue the negotiations and if successful to obtain the needed signatures.

Registrant's counsel has been contacted regarding the present stipulation and the undersigned certifies that all counsel agree to the new dates set forth below. Petitioner's attorney has been authorized to submit this document on behalf of, and with the consent of, both parties to this Cancellation proceeding.
