CONSENTED TO MOTION FOR SUSPENSION OF PROCEEDINGS

Petitioner, Samson Manufacturing Corporation, and Respondent, Prima Armi S.r.l., hereby request that this Honorable Board suspend current deadlines and stay this proceeding for sixty (60) days, through June 19, 2011. As grounds therefore, the parties state that the parties have negotiated a settlement and coexistence agreement, the terms of which may resolve the issues before the Board but are conditioned upon acceptance of a consent agreement and withdrawal of a Section 2(d) refusal of Petitioner's pending application number 77/566,738. As such, the parties request suspension of these proceedings to allow the Examining Attorney for application number 77/566,738 to consider Petitioner's submission to the USPTO, dated April 6, 2011, regarding the consent agreement and limitation of Respondent's registrations.

WHEREFORE, Petitioner and Respondent respectfully request that this Board stay the current proceeding until June 19, 2011 and suspend all deadlines currently in place.

Respectfully Submitted,

SAMSON MANUFACTURING CORPORATION
