Re: Cancellation No. 92051986; Registration No. 3546843

Dear TTAB:

As the TTAB may be aware, our firm represents Registrant/Defendant, Jordan Drew Corp. (“Jordan Drew”) in the above captioned matter. We are in receipt of the July 30, 2012 Order of the TTAB. In response to the present Order, we write to the TTAB at this time to request a further extension of the Order of the TTAB suspending these Cancellation Proceedings.

As you may recall, by letter dated December 14, 2011, this office requested that the TTAB continue the suspension of these Cancellation Proceedings pending full and final resolution of ongoing litigation in Federal Court in the Southern District of New York between Petitioner Versatile Housewares & Gardening Systems, Inc., and Jordan Drew, Case No. 09-CV-10182 (KMK) (the “Federal Action”). As advised therein, the Federal Action involves a dispute between Jordan Drew and Versatile over ownership of the same trademark at issue in this Cancellation Proceeding; namely the registered trademark “Awesome Auger”.

As of this date, the parties are still engaged in the Federal Action, with no anticipated date by which this matter will be resolved.

Given that the Federal Action is still ongoing, we would again respectfully request that the TTAB continue to suspend these Cancellation Proceedings until such time as the Federal Action is fully resolved.

We wish to thank the TTAB in advance for its time and consideration in this matter. If the TTAB has any questions, please feel free to contact us.

Respectfully submitted,

John T.A. Rosenthal
