v.

Pilgrim Telephone, Inc.

Jennifer Krisp, Interlocutory Attorney:

Petitioner's consented motion (filed March 27, 2012) to further suspend proceedings to accommodate the parties' ongoing settlement efforts is granted.

Proceedings herein are suspended until May 29, 2012, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

The Board has been liberal in granting the parties a series of suspension periods in this proceeding; however, the Board will not suspend a proceeding indefinitely without a clear indication in the record that the parties are making progress towards settlement. Accordingly, no further extensions or suspensions will be granted in the absence of a detailed report reciting what progress the parties have made toward resolving this matter. Such report must include: a list of the dates on which the parties spoke,

emailed or communicated in writing with respect to resolving this proceeding or exchanging settlement terms or offers; a recitation of the issues that remain to be resolved; and a firm timetable for resolution. In the absence of this progress report, any future motions may not be approved, even though agreed to by the parties.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in petitioner's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
