REGISTRANT'S SUPPLEMENTAL DECLARATION UNDER 37 C.F.R. § 2.20 IN SUPPORT OF CONSENTED MOTION TO AMEND REGISTRATION AND PLACE CANCELLATION PROCEEDING IN SUSPENSION

As provided in TBMP Section 514.02, the Registrant requests that the description of goods for U.S. trademark Registration No. 3,547,375 ("the Registration") be amended to read as follows:

> Animal feed additives for use as a nutritional supplement for medical purposes; animal feed supplements; dietary and nutritional supplements for animals; dietary food supplements for animals; dietary supplements for animals; food supplements for animals; herbal supplements for animals; nutriceuticals for use as a dietary supplement for animals; nutritional supplements for animals;

and files this Supplemental Declaration in support of the previously filed Consented Motion to Amend Registration and Place Cancellation Proceeding in Suspension. The fee specified in 37 C.F.R. §§ 2.6 and 2.173 was previously paid with the filing of the first such declaration, which was misdated with the incorrect year by the Registrant, necessitating the filing of this new Supplemental Declaration.

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and

the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.
