Mr. Barnhorst:

We have never, & I repeat **NEVER** attempted to defraud anyone, especially the PTO.

I am providing this documentation to you as Service regarding our required Answer to your Request For Cancellation No. 92052835.

All being said, and each party of this action being made up of reasonable people that understand the requirements of your workload on behalf of your client; Sandra Brodsky: We expect the provided answers to persuade you and your client to withdraw your Request To Cancel No. 92052835 with the PTO and for you to share this suggestion with your client; Sandra Brodsky. You know as well as we do that the civil implication drawn from this belligerent and unmerited attack on Mr. Burck referred to as a Petition will only help our case in Federal Court and will likely become an unbearable strain on your office's workload.

Rest assured Mr. Barnhorst; there will be a group of honest, law abiding, highly intelligent and educated individuals working diligently, continuously, non-stop, day in and day out to argue this case against you and your client with no other interest, whatsoever.

We will prove that your client is a deviant and your office will be embarrassed repeatedly by the evidence we bring to light that Brodsky will otherwise not likely share with you, because we know through our years of experience with her that she is an individual who sets out to be deceptive and we have many reasons to believe that she has already done so regarding your relationship, on many levels.

Consider this email Certificate Of Service for required Answer, Cancellation No. 92052835.
