v.

IP Strategies, P.C.

By the Trademark Trial and Appeal Board:

Respondent's motion (filed June 11, 2012) to dismiss for failure to prosecute under Trademark Rule 2.132(a) is granted as conceded.¹ See Trademark Rule 2.127(a). The petition to cancel is dismissed with prejudice.

¹ Although respondent's motion states that it seeks dismissal under Trademark Rule 2.132, it captioned its motion as one for judgment on the pleadings.
