Cheryl S. Goodman, Interlocutory Attorney:

On July 11, 2012, the Board found the proposed amendment to the registration acceptable but noted that respondent failed to pay the proper fee. The Board allowed respondent time to pay the fee.

Respondent paid the fee on July 16, 2012.

By the proposed amendment registrant seeks to change the identification of services **from** "Healthcare educational services, namely conducting classes, symposiums, seminars, workshops, conferences and programs in the field of clinical patient diagnosis, treatment and care" **to** "Healthcare educational services, namely conducting classes, symposiums, seminars, workshops, conferences and programs in the field of clinical patient diagnosis, treatment and care, specifically,

through the use of simulated models of hospital environments identified as virtual care units for training in the field of patient diagnosis, treatment and care."

Inasmuch as the amendment complies with all of the procedural requirements of Trademark Rule 2.173, it is clearly limiting in nature, and petitioner consents thereto, it is approved. See Trademark Rule 2.133(a).

The amendment will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

If this resolves the dispute herein, petitioner is allowed until thirty days from the mailing date of this order to file a withdrawal of the petition to cancel, failing which the petition to cancel will go forward on the registration as amended. See Trademark Rule 2.114(c).

Proceedings herein remain otherwise suspended.
