**MOTION ON CONSENT TO SUSPEND PROCEEDINGS
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order suspending the proceedings in this matter for a period of sixty (60) days, up to and including **June 2, 2012**. Registrant consented to this motion, which is requested to allow the parties to engage in settlement discussions.

Since the last suspension, Opposer’s counsel has reviewed Applicant’s proposed changes to the agreement with Opposer and is in the process of preparing a revised settlement agreement that incorporates some of Applicant’s proposed changes. The additional time is requested so that Opposer can further consider Applicant’s proposed changes and review the revised agreement and for the parties to continue to negotiate a final settlement. If accepted, the settlement agreement would resolve this matter without the need to proceed with the opposition.

In the event that the Board denies this motion, Opposer consents to an extension of time for Registrant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

If the Board grants this motion, the Board should also reset Registrant's time to answer or otherwise respond to the Notice of Opposition until 30 days after the suspension ends . Additionally, the parties request that six months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods and other periods should be reset accordingly.

Respectfully submitted,
