**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of Trademark Reg. No. 4112887 and Serial No. 85273186  
For the marks NEXT DOOR (Registered on March 13, 2012) and NEXT DOOR STATE FARM  
(Filed on March 22, 2011)

<b>Raj Abhyanker</b>  <b>Petitioner</b>  <b>Vs</b>  <b>State Farm Mutual Automobile Insurance Company</b>  <b>Registrant</b>	<b>Opposition No.</b>  <b>MARKS: NEXT DOOR, NEXT DOOR STATE FARM</b>  <b>Registration No. 4112887 Serial No. 85273186</b>
--	---

**PETITION TO CANCEL**

In the matter of U.S. Trademark Registration No. 4112887 (Registered on March 13, 2012) and Application Serial No. 85273186 (Filed on March 22, 2011), both filed by State Farm Mutual Automobile Insurance Company (“Registrant”), for the trademark and service marks NEXT DOOR and NEXTDOOR STATE FARM as applied to all goods and services listed in International Classes 35 (the “Infringing Applications”).

Raj Abhyanker, an individual and citizen of the United States maintaining a principal address at 1580 W. El Camino Real, Suite 8, Mountain View, CA 94040 (“Petitioner”), believes that he will be damaged by the registration of the NEXT DOOR and NEXTDOOR STATE FARM marks (the “Infringing Marks”) and hereby petitions to cancel the same.

As grounds for the cancellation, Petitioner, by and through his attorneys, alleges as follows:

### **FACTS COMMON TO ALL CLAIMS**

1. Petitioner is an individual and citizen of the United States, with a principal address at 1580 W. El Camino Real, Suite 8, Mountain View, CA 94040.
2. Petitioner is the owner of the pending United States trademark application for the stylized character mark FATDOOR GET TO KNOW YOUR NEIGHBORS (US Serial No. 85537718), filed on February 8, 2012 for goods and services in International Class 42. This application is live and pending. A copy of the TARR information for the mark is attached as Exhibit A.
3. Petitioner is the owner of the pending United States trademark application for the standard character mark NEXTDOOR (US Serial No. 85504896), filed on December 28, 2011 for goods and services in International Class 42. This application is live and pending. A copy of the TARR information for the mark is attached as Exhibit B.
4. Upon information and belief, Registrant is a corporation formed under the laws of Illinois, having its principal place of business at One State Farm Plaza A3, Bloomington, IL 61710.
5. Registrant is currently the owner of United States Trademark Registration No. 4112887 for the word mark NEXT DOOR for the following listed goods and services: “Business collaboration services, namely, providing facilities for business networking meetings for individuals of all industries for the purpose of facilitating networking and socializing opportunities for business purposes” in International Class 35. A copy of the TARR information for the mark is attached as Exhibit C.

6. Registrant is currently the owner of United States Trademark Application Serial No. 85273186 for the stylized mark NEXT DOOR STATE FARM for the following listed goods and services: “Business collaboration services, namely, providing facilities for business networking meetings for individuals of all industries for the purpose of facilitating networking and socializing opportunities for business purposes” in International Class 35. A copy of the TARR information for the mark is attached as Exhibit D.

7. The Infringing Marks as filed in the Infringing Applications are confusingly similar to the word marks as specified in Petitioner’s pending application Serial Nos. 85537718 and 85504896. The Infringing Application also lists goods and services that are in part identical and highly similar to Petitioner’s listed goods and services in Serial Nos. 85537718 and 85504896.

8. Due to the similarities in Petitioner’s ‘718 and ‘896 applications and the Infringing Applications outlined herein, it is likely that Petitioner’s pending ‘718 and ‘896 applications will receive a Section 2(d) refusal and/or Suspension Notice citing to the Infringing Applications.

9. Thus, Petitioner will be damaged by the registration of the Infringing Applications because those applications are blocking Petitioner’s pending application Ser. Nos. 85537718 and 85504896.

### **COUNT I – PRIORITY/LIKELIHOOD OF CONFUSION**

10. Petitioner repeats and realleges the allegations of the preceding Paragraphs as if fully set forth herein.

11. Petitioner has been using the word mark FATDOOR and design mark FATDOOR GET TO KNOW YOUR NEIGHBORS (collective known as the “FATDOOR marks”) in commerce in connection with goods and services involving the use of proprietary geo-spatial software and technology, including but not limited to geo-spatial databases, architecture, social networking,

friend grouping, real time updates, feed aggregation, spheres of influence, application technologies associated with aggregate, filtering of relevant feeds across multiple networks, filtering conversations across cross group interactions, providing of in depth conversations through a social graph, editable user pages, community governance, neighborhood communication and geo-spatial social networking, since as early as October 25, 2006 and at least from April 15, 2008 through the filing of this Petition to Cancel.

12. Opposer has been using the NEXTDOOR mark in commerce in connection with goods and services involving the use of proprietary geo-spatial software and technology, including but not limited to geo-spatial databases, architecture, social networking, friend grouping, real time updates, feed aggregation, spheres of influence, application technologies associated with aggregate, filtering of relevant feeds across multiple networks, filtering conversations across cross group interactions, providing of in depth conversations through a social graph, editable user pages, community governance, neighborhood communication and geo-spatial social networking since as early as August 2005.

13. Goods and services provided under the FATDOOR marks and NEXTDOOR mark have been widely advertised to the purchasing public and the trade in the United States of America.

14. Petitioner has expended considerable time, effort, and financial resources building and marketing the FATDOOR marks and NEXTDOOR mark. As a result thereof, the FATDOOR marks, NEXTDOOR marks, and the goodwill associated therewith are of inestimable value to Petitioner.

15. Infringing Application '186 is currently a 1(b) intent-to-use application indicating that Registrant has yet to use the NEXT DOOR STATE FARM mark in commerce. The Infringing Application was filed on March 22, 2011.

16. Infringing Registration '887 has a claimed first use in commerce date of May 6, 2011 for the Infringing Mark NEXT DOOR.

17. Petitioner has been using the FATDOOR marks and NEXTDOOR mark in commerce in relation to the technology services alleged herein for a longer period of time and prior to Registrant's use of NEXT DOOR STATE FARM and NEXT DOOR marks for the services listed in the Infringing Applications.

18. Registrant's registration and/or use of the NEXT DOOR STATE FARM and NEXT DOOR marks, in view of Petitioner's rights in the FATDOOR marks and NEXTDOOR mark, is likely to cause confusion, to cause mistake or to deceive.

19. Upon information and belief, Registrant was well aware of Petitioner's FATDOOR marks and NEXTDOOR mark prior to filing the Infringing Applications, and selected the NEXT DOOR STATE FARM and NEXT DOOR marks with the specific intent to create confusion. Accordingly, it is Petitioner's belief that if Registrant is allowed to obtain and maintain registration for the Infringing Marks herein, Petitioner will suffer irreparable harm and damage.

Date: March 23, 2012

Respectfully submitted,

/Chris Ditico/
