v.

Swiss Watch International, Inc.

On February 7, 2014, petitioner filed a request for reconsideration of the Board's dismissal with prejudice of this proceeding.

Upon review of petitioner's request, the Board finds that its decision stands. Petitioner's request for a new notification of dismissal indicating dismissed without prejudice is denied pursuant to Trademark Rule 2.114(c) which provides that after an answer is filed, the petition for cancellation **may not be withdrawn without prejudice except with the written consent of respondent.**

In view thereof, and because the withdrawal was filed after answer, the petition for cancellation remains dismissed with prejudice.
