v.

BeeNaturals, Inc.

Elizabeth A. Dunn, Attorney (571-272-4267):

This order clarifies the current status of this proceeding.

On May 2, 2015, the Board issued notice of default and suspended proceedings pending the Board's action on Respondent's default.

On May 3, 2015, apparently having not yet received its copy of the Board's order, Petitioner filed a motion for summary judgment.

Inasmuch as the motion for summary judgment was filed while proceedings were suspended, it will be given no consideration.

The order requiring Respondent to show cause BY JUNE 1, 2015 why judgment by default should not be entered against Respondent in accordance with Fed. R. Civ. P. 55(b)(2) remains operative.
