v.

Authentic Beverage Management,  
L.L.C.

**Denise M. DelGizzi,  
Technical Program Manager:**

The Board notes the consented motion filed on April 29, 2014 to suspend all dates, including the discovery conference deadline, for the parties to pursue settlement.

While the Board is liberal in granting extensions of time to accommodate settlement, after an answer has been filed, the Board is unlikely to find good cause for a motion, even upon consent or stipulation to extend the deadline for the parties to conduct the required discovery conference when the basis for the motion is the existence of settlement discussions. *See* TBMP § 509.01(a); *Boston Red Sox Baseball Club LP v. Chaveriat*, 87 USPQ2d 1767, 1767 n.1 (TTAB 2008) (“It is unlikely the Board will find good cause for a motion to extend or suspend for settlement if the motion is filed after answer but prior to the discovery conference, precisely because the discovery conference itself provides an opportunity to discuss

settlement.”). Inasmuch as the motion to suspend was filed after the answer, but prior to the parties’ discovery conference deadline, the Board does not find good cause to suspend. Accordingly, the motion to suspend is denied. The parties are expected to proceed to conduct the required discovery conference without delay.

Disclosure, discovery and trial dates remain as previously set in the Board’s order of February 20, 2014.
