**Monique Tyson, Paralegal Specialist:**

On October 14, 2014, the Board suspended proceedings pending settlement of these proceedings. On November 18, 2014 petitioner filed a motion to resume proceedings and to reset trial dates.

In view thereof, proceedings are resumed and trial dates are reset as indicated in petitioner's motion filed November 18, 2014.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

**Initial Disclosures**

The Board notes that on December 10, 2014 respondent filed with the Board a copy of its initial disclosures that were apparently served on counsel for petitioner. However, initial disclosures, like requests for discovery, responses thereto, and materials or depositions obtained through the discovery process, should not be filed with the Board except when submitted (1) with a motion relating to discovery; or (2) in support of or response to a motion for summary judgment; or (3) under a notice of reliance during a party's testimony period; or (4) as exhibits to a testimony deposition; or (5) in support of an objection to proffered evidence on the ground that the evidence should have been, but was not, provided in response to a request for discovery. See Trademark Rule 2.120(j)(8).

In view thereof, respondent is advised that the Board will give no further consideration to respondent's initial disclosures, filed December 10, 2014.
