v.

Greater Omaha Packing Co., Inc.

Nicole Thier, Paralegal Specialist:

On March 20, 2017, the Board suspended proceedings pending a response from the Opposer following a request to withdrawal as counsel filed March 17, 2017.

However, it has come to the Board's attention that on February 10, 2017, Opposer filed a change of correspondence that was not initially addressed by the Board, removing Nancy T. Morris as counsel and appointing Nora M. Kane.

The Board regrets this error and acknowledges Nora M. Kane for the Opposer moving forward.

Accordingly, the Board's March 20, 2017 order is hereby vacated. Proceedings are resumed and remain as previously set forth in its February 23, 2017 order.
