MOTION FOR JUDGMENT ON THE PLEADINGS

Pursuant to Federal Rule of Civil Procedure 12(c) and Trademark Rule of Procedure 2.127(d), Petitioner Bloc Burnaz (“Petitioner”) moves for judgment on the pleadings on the following grounds:

I. BACKGROUND FACTS

On July 2, 2013, Lonnie Tate and Eddie Torian (Tennessee Partnership) (“Registrant”) filed section 1(b) intent-to-use Application Serial No. 86/001,064 to register Block Burnaz in connection with “Entertainment services in the nature of organizing motorcycle racing and exhibitions; entertainment services in the nature of organizing, arranging and conducting motorcycle riding excursions and shows; entertainment services in the nature of presenting live musical performances; charitable services, namely, organizing youth to undertake projects to benefit the needy and the community to encourage leadership, character, compassion, and good citizenship; educational and entertainment services, namely, providing information, commentary, articles, blogs, and an online non-downloadable electronic newsletter in the fields of motorcycles and motorcycle culture; arranging and conducting special events; educational

services, namely, providing instruction and information in the fields of motorcycles and motorcycle cycle culture via the Internet, television, and radio; educational services, namely, conducting conferences, seminars, webinars, workshops, and classes in the fields of motorcycles, motorcycle culture, and topics of general interest; educational services, namely, providing program presentations in the fields of motorcycles and motorcycle culture and distributing course material in connection therewith in the nature of booklets, T-shirts, stickers, women's apparel, caps, hats, jerseys, sweatshirts, sweatpants, short pants, jackets, wristbands, armbands; online journals, namely, blogs featuring discussions and information on motorcycles, motorcycle culture, and topics of general interest.” (Class 35).

During prosecution, the application was changed to an in-use application under 1(b) in connection with “Club services, namely, organizing chapters of a motorcycle club and promoting the interests of the members thereof, as well as motorcycle enthusiasts; indicating membership in a motorcycle club; club services, namely, organizing and conducting volunteer programs, community service projects, and charitable fundraisers; entertainment and education services, namely, providing a web site featuring presentations and information in the fields of motorcycle riding, motorcycle riding exhibitions, demonstrations, and topics of general interest; charitable services, namely, organizing and developing projects that aim to improve the lives of underprivileged and impoverished people” (Class 35). The first use anywhere and first use in commerce dates are listed as December 1, 2005. Registrant signed the Declaration, which states that “all statements made of his/her own knowledge are true.” A copy of the application for the Mark is attached in Exhibit A.

On June 12, 2015, Petitioner filed a Cancellation Proceeding to cancel the Mark, based on ground that Petitioner has priority use of the mark Bloc Burnaz, likelihood of confusion, and fraud. A copy of the Cancellation Proceeding is attached as Exhibit B.

On July 27, 2015, Registrant filed its answer to the Cancellation Proceeding. A copy the answer is attached as Exhibit C.

In its answer, Registrant denied ownership of the Trademark “Block Burnaz” in addition to their place of business, submission of a specimen including a webpage with the original trademark application ‘064 and their organization being formed in the State of Tennessee on January 13, 2012. The Registrant also denied filing a second trademark application, Application Serial No. 86/504,392 for Block Burnaz of Memphis Tennessee on January 15, 2015, exchanging written correspondences with the Petitioner, having only one chapter and only conducting business locally in Memphis

Tennessee. Below are the relevant allegations from the Cancellation Proceeding and the Registrant's corresponding answers:

2. Upon information and belief, the Registrant of the Block Burnaz trademark is Lonnie Tate and Eddie Torian (Tennessee Partnership) having a place of business at 6421 Willow Brook Street, Millington, TN 38053.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

12. In said application, the Registrant knowingly submitted a specimen including a webpage indicating that it was established in January 2006.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

13. According to the State of Tennessee, Division of Business Services, Registrant formed its organization on January 13, 2012.

20. and 40. Registrant filed a second trademark application, Application Serial No. 86/504,392 for Block Burnaz of Memphis Tennessee on January 15, 2015.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

23. and 41. Registrant knowingly admits in written correspondences with the Petitioner that they are aware of the Petitioner's existence and Petitioner having multiple chapters across several states.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

24, 38, and 42. Registrant knowingly admits that its only chapter is in Memphis Tennessee.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

25. and 43. Registrant admits that it does not conduct business interstate and instead only conducts business locally in Memphis Tennessee.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

30. Registrant admits to the closely similar spelling of its mark to Petitioner's mark in written correspondences with Petitioner on or about March 28, 2015.

Answer: Registrant/Applicant is without knowledge or information sufficient to form a belief as to the truth of this averment.

On August 25, 2015, a Discovery Conference was conducted between Petitioner's Counsel and Registrant, Lonnie Tate.

On September 24, 2015, Petitioner provided Initial Disclosures to Registrant required by 37 C.F.R. §2.120 and Federal Rules of Civil Procedures 26 and 34. See Exhibit D.

On September 26, 2015, Registrant signed for receipt of Petitioner's Initial Disclosures. See Exhibit E.

II. APPLICABLE LEGAL STANDARD

a. Fraud. If fraud can be shown when procuring a registration, the entire registration or application is void. *Medinol Ltd. V. Nuro Vasx, Inc.* 67 U.S.P.Q.2d 1205, 1208 (TTAB 2003). Fraudulent procurement of a trademark application exists when the Applicant "makes material representation of facts in its declaration which it knows or should know to be false or

misleading.” Medinol at 1209. It is not necessary to have any type of intent to commit the fraud. *Hachette Filipacchi Presse v. Elle Belle, Inc.*, 85 U.S. P.Q.2d 1090, 1094 (TTAB 2007).

b. No material issues of fact remain. “A motion for judgment on the pleadings, which is provided for under Fed. R. Civ. P. 12(c) will be granted only if the moving party clearly establishes that no material issue of fact remains to be resolved and that it is entitled to judgment as a matter of law. For purposes of motion, all well-pleaded factual allegations of the nonmoving party are assumed to be true and the inferences drawn therefrom are to be viewed in a light most favorable to the nonmoving party.” *Baroid Drilling Fluids Inc. v. Sun Drilling Products*, 24 U.S.P.Q. 2d 1048, 1049 (TTAB 1992). See also *International Telephone and Telegraph Corporation v. International Mobile Machines Corporation*, 218 U.S.P.Q. 1024, 1026 (TTAB 1983)(motion for judgment on the pleadings admits, for purposes of motion, the truth of all the facts averred in the opposing pleading and judgment should be granted only when the merits of the dispute can be determined); TBMP §504.02 (revised 2d ed. 2004).

Here, no material issues of fact remain to be resolved and, based on the undisputed facts, Petitioner is entitled to judgment as a matter of law.

c. Establishment of Priority. To establish priority on a likelihood of confusion claim brought under Trademark Act §2d, a party must prove that it owns “a mark or trade name previously used in the United States...and not abandoned...” Trademark Act Section 2, 15 U.S.C. §1052. A party may establish its own prior proprietary rights in a mark through ownership of a prior registration, actual use or through use analogous to trademark use, such as used in advertisement brochures, trade publications, catalogs, newspaper advertisements and Internet websites which create a public awareness of the designation as a trademark identifying the part as a source. See Trademark Act §§2(d) and 45, 15 U.S.C. §§1052(d) and 1124. See also *T.A.B. Systems v. PacTel Teletrac*, 77 F.3d 1372, 37 USPQ2d 1879 (Fed.Cir. 1996). There must be “regular or recurring activity” such as to constitute source identification in the eyes of consumers. *Giersch v. Scripps*, 90 USPQ2d, 1023 (TTAB 2009).

Petitioner has provided evidence of ownership of the mark Bloc Burnaz, continuous use of the mark since 2005 including but not limited to advertisements, and Registrant’s knowledge of the Petitioner’s use of their mark prior to applying for registration of the registered mark Block Burnaz.

III. JUDGMENT ON THE PLEADINGS IS PROPER

a. The Registration is Void Because Registrant committed Fraud on the Trademark Office

If fraud can be shown when procuring a registration, the entire registration or application is void. *Medinol Ltd. V. Nuro Vasx, Inc.* 67 U.S.P.Q.2d 1205, 1208 (TTAB 2003). Fraudulent procurement of a trademark application exists when the Applicant “makes material representation of facts in its declaration which it knows or should know to be false or misleading.” *Medinol* at 1209. It is not necessary to have any type of intent to commit the fraud. *Hachette Filipacchi Presse v. Elle Belle, Inc.*, 85 U.S. P.Q.2d 1090, 1094 (TTAB 2007).

It is crucial that the statements made by Applicant in a trademark application be truthful because, when examining the application, the Trademark Office does not have the ability to verify whether the statements are truthful. Therefore, truthful statements regarding a mark “are essential to the integrity of the application and the registration process.” *Grand Canyon* at 1509.

Accordingly, an applicant cannot claim that it overlooked or was unaware of the existence of Petitioner and Petitioner’s mark, Bloc Burnaz or the likelihood of confusion thereof. As submitted in the Cancellation Petition, Registrant and Petitioner communicated in writing on March 28, 2013, about the similarities between Petitioner’s Mark and Registrant’s Mark and the existence of Petitioner’s mark spread out across several states and Registrant’s Mark solely used in Memphis Tennessee. See Exhibit D. Registrant states in writing the following: “Your club name is spelled B L O C and ours is B L O C K. You guys have several chapters spread out. We are located in Memphis Tennessee making us the Official Block Burnaz MC of Memphis, TN.” The communication took place between the Petitioner and Registrant more than three (3) months prior to the filing date of July 2, 2013 of the Registrant’s application for the Registered Mark.

Further in the written communication, Registrant states that “when people say we know people in your GA chapt. We tell them we are not affiliated with you all and have respect for your crew.”

Thus, it is noted that the upon filing the application for the Registered trademark, Registrant was well aware of the existence of the Petitioner and their use of their mark Bloc Burnaz, as well as the similarities and the existence of actual confusion. Thus, Petitioner asserts

that Registrant committed fraud on the U.S. Patent and Trademark Office and request that judgment be granted in favor of the Petitioner and the subject Registered mark be cancelled.

b. Motion of Judgment on the Pleadings be granted based on Judicial Notice of Facts

Petitioner asks the Board to judicially noticed the following facts:

- 1). Registrant is denying ownership of the subject trademark
- 2) Registrant is denying its address and business information.
- 3) Registrant is denying submitting a webpage indicating formation as of January 2006 upon submission of the trademark application for the subject trademark. See Exhibit C.
- 4) Registrant and Petitioner's written correspondences regarding the subject mark. See Exhibit F. (Exhibit 6 of the Cancellation Petition Filed) and Registrant's admission to knowing of Petitioner's existence, similarities between their marks, and Petitioner's existence through several states; and Registrant's existence only in Memphis Tennessee.
- 5) Registrant failure to file Initial Disclosures in accordance with Rule 26(a)(1). These undisputed facts show that Petitioner is entitled to judgment on the pleadings.

c. Establishment of Priority by Petitioner

Petitioner has maintained continuous use of their mark, Bloc Burnaz since 2005. In the Cancellation Petition as originally filed, Petitioner provided evidence of logo creation (See Exhibit G(Exhibit 1 of the originally filed Cancellation Petition); advertisements for publicly held social events. See Exhibit H (Exhibit 5 of the originally filed Cancellation Petition); and written correspondences between Registrant and Petitioner on Social Media on March 28, 2013. See Exhibit F. (Exhibit 6 of the originally filed Cancellation Petition).

Based on Petitioner's establishment of priority, Petitioner is entitled to judgment on the pleadings.

WHEREFORE, Petitioner Bloc Burnaz MC respectfully requests that the registration of the Registrant's mark, the Subject Mark, be cancelled and that judgment is granted in favor of the Petitioner.

The lack of a bona fide intention to use the mark with ALL goods and/or services listed in an application or the lack of actual use on all goods and/or services for which use is claimed could jeopardize the validity of the registration, possibly resulting in its cancellation.

Additional information: For information on filing and maintenance requirements for U.S. trademark applications and registrations and required fees, please consult the USPTO website at www.uspto.gov or call the Trademark Assistance Center at 1-800-786-9199.

Subject: RE: Trademark Application Serial No. 86001064 - Block Burnaz MC

Mr. Thompson,

Thank you for speaking with me this afternoon. Thank you also for indicating that you are willing to delete the portion of the ID that raised concerns regarding the collective membership mark application. As I mentioned in my initial email, I would also like to ask for a disclaimer of MC as it is a common abbreviation for "motorcycle club" and is thus descriptive of the applicant's services. And I would like to know the name of the applicant's partnership for the entity. After you have had a chance to review my suggested identification, please call me back and we can hopefully resolve all the outstanding issues via an examiner's amendment or a combination examiner's amendment/priority action. I am available at your convenience tomorrow.

As we discussed on the phone, my suggested ID is below. I know you indicated that your applicant would likely not want to submit an additional fee, so please let me know if you are willing to amend the identification of services as I've suggested, and which services/class your applicant would like to keep, or, if the applicant reconsiders and would like to keep more than one class and pay the additional fees. Please note that the specimen of record is acceptable for the use-based services in Classes 35 and 41, but not for Class 36.

Class 16 (based on an Intent to Use): stickers

Class 25 (based on an Intent to Use): T-shirts, women's apparel, caps, hats, jerseys, sweatshirts, sweatpants, short pants, jackets, wristbands, armbands

Class 35 (based on Use in Commerce): Club services, namely, organizing chapters of a motorcycle club and promoting the interests of the members thereof, as well as motorcycle enthusiasts; ~~indicating membership in a motorcycle club;~~ **charitable** club services, namely, organizing and conducting volunteer programs, **and** community service projects, ~~and charitable fundraisers;~~ ~~entertainment and education services, namely, providing a web site featuring presentations and information in the fields of motorcycle riding, motorcycle riding exhibitions, demonstrations, and topics of general interest;~~ charitable services, namely, organizing **volunteer programs and community service** projects that aim to improve the lives of underprivileged and impoverished people (specimen acceptable); (Based on an Intent to Use): Entertainment services in the nature of organizing motorcycle racing and exhibitions; entertainment services in the nature of organizing, arranging and conducting motorcycle riding excursions and shows; entertainment services in the nature of presenting live musical performances; charitable services, namely, organizing youth to undertake projects to benefit the needy and the community to encourage leadership, character, compassion, and good citizenship; ~~educational and entertainment services, namely, providing information, commentary, articles, blogs, and an online non-downloadable electronic newsletter in the fields of motorcycles and motorcycle culture;~~ arranging and conducting special events **for {applicant should specify the purpose of the event, e.g., business, or commercial or promotional or advertising purposes in Class 35}**; ~~educational services, namely, providing instruction and information in the fields of motorcycles and motorcycle cycle culture via the Internet, ongoing television, and radio programs;~~ educational services, namely, conducting conferences, seminars, webinars, workshops, and classes in the fields of motorcycles, motorcycle culture, and topics of general interest **concerning {applicant should specify the area of interest, e.g., motorcycle customization}**; educational services, namely, providing **{specify specific type of**

~~educational activity, e.g., training} program presentations in the fields of motorcycles and motorcycle culture and distributing course material in connection therewith in the nature of booklets, T-shirts, stickers, women's apparel, caps, hats, jerseys, sweatshirts, sweatpants, short pants, jackets, wristbands, armbands; online journals, namely, blogs featuring discussions and information on motorcycles, motorcycle culture, and topics of general interest~~

Class 36 (based on Use in Commerce): Organizing and conducting charitable fundraisers (specimen not acceptable)

Class 41 (based on Use in Commerce): Entertainment and education services, namely, providing a web site featuring presentations and information in the fields of motorcycle riding, motorcycle riding exhibitions, demonstrations, and topics of general interest **to motorcycle enthusiasts**; (specimen acceptable); (Based on an Intent to Use): Educational and entertainment services, namely, providing information, commentary, articles, blogs, and an online non-downloadable electronic newsletter in the fields of motorcycles and motorcycle culture; arranging and conducting special events **for {applicant should specify the purpose of the event, e.g., entertainment purposes in Class 41}**; educational services, namely, **{specify the form of the services, e.g., courses}** providing instruction and information in the fields of motorcycles and motorcycle cycle culture via the Internet, television, and radio; educational services, namely, conducting conferences, seminars, webinars, workshops, and classes in the fields of motorcycles, motorcycle culture, and topics of general interest **concerning {applicant should specify the area of interest, e.g., motorcycle riding}**; educational services, namely, providing **{specify specific type of educational activity, e.g., training}** program presentations in the fields of motorcycles and motorcycle culture and distributing course material in connection therewith in the nature of booklets; online journals, namely, blogs featuring discussions and information on motorcycles, motorcycle culture, and topics of general interest

I look forward to hearing from you.

Mr. Thompson,

I am the USPTO Trademark Examining Attorney assigned to the above referenced application, for which you are listed as the attorney of record. I have some questions regarding the application which I would very much like to discuss with you. Most of them I believe can be resolved via an examiner's amendment or an examiner's amendment and a priority office action.

The specific issues I would like to discuss with you pertain to the applicant's entity (I need to know the name of the partnership), a disclaimer of MC, and the identification of services. With respect to the identification of services, one of the services identified appears to be a collective membership mark i.e., "indicating membership in a motorcycle club" which is properly classified in Class 200 and is not an identification appropriate for a service mark. Collective membership marks have specific requirements discussed in TMEP 1304. Could you let me know if you intended to identify a collective membership mark or a service mark? If you intended to a service mark, the remainder of the services require some clarification/reclassification and the specimen of record is not sufficient for some of the services identified. I would be happy to discuss my specific concerns with you on the phone and I believe that we can resolve the majority of these issues via an examiner's amendment.

Do you have a convenient time today or Monday to speak with me regarding this application?

6. Petitioner has approximately 250 members and a total of 18 chapters across various states.

7. Commencing long prior to the Registrant's claimed date of first use of December 1, 2005, the Petitioner engaged in the use of the name Bloc Burnaz in association with good/services including club services, namely organizing chapters of a motorcycle club promoting the interest of the members thereof and conducting social and charitable events. See Exhibits 1 and 3.

8. The Petitioner has made substantial investment in promoting its services under its mark. The Petitioner has extensively used, promoted, and offered its services in connection with the mark to the public through various channels with the result that the public in general have come to know and recognize the Petitioner's mark and associate same with the Petitioner and/or services provided by the Petitioner. See Exhibit 5. The Petitioner has built extensive goodwill in connection with the provision of its services under its mark since February 2005. See Exhibits 1, 5 and 7.

9. Upon information and belief of the Petitioner's rights in and to its mark, on July 2, 2013, the Registrant filed an Intent-to-use Application for registration of the alleged trademark "Block Burnaz MC" for "club services namely, organizing chapters of a motorcycle club and promoting the interests of the members thereof, as well as motorcycle enthusiasts; charitable club services, namely, organizing and conducting volunteer programs, and community service projects that aim to improve the lives of underprivileged and impoverished people, in Class 35. Said application was assigned a serial No. 86/001,064. See Exhibit 8.

10. The Petitioner asserts that the Registrant, knowingly made a false material misrepresentation with the intent to deceive the Patent and Trademark Office (“PTO”) upon filing said application.

11. In said application, the Registrant knowingly and willful deceived the PTO by stating that its first use of their mark and use in commerce was on December 1, 2005. See Exhibit 8.

12. In said application, the Registrant knowingly submitted a specimen including a webpage indicating that it was established in January 2006. See Exhibit 8.

13. According to the State of Tennessee, Division of Business Services, Registrant formed its organization on January 13, 2012. See Exhibit 11.

14. The Registrant willfully intended to attempt to obtain registration of the mark “Block Burnaz” upon filing its intent to use application on July 2, 2013, well after the existence of the Petitioner’s organization and use of their mark “Bloc Burnaz. See Exhibit 8.

15. At the time the Registrant signed the Declaration, the Petitioner’s mark “Bloc Burnaz” was already in use in the U.S. in connection with club services, namely organizing chapters of a motorcycle club and promoting the interest of the members thereof, as well as motorcycle enthusiasts; charitable club services, namely charity events, community services and volunteer programs. See Exhibit 8.

16. Prior to applying for registration of “Block Burnaz”, Registrant could have easily conducted a search via publicly accessible means, e.g., the Internet and discovered the existence of the Petitioner’s mark.

17. Despite Registrant’s knowledge of the prior use of Petitioner’s substantially identical mark used in connection with identical or substantially identical services, Registrant knowingly with a willful intent to deceive the PTO submitted the Declaration, continued to prosecute the trademark application for “Block Burnaz” and later change intent-to-use to use-in commerce status of the application. See Exhibit 8.

18. Registrant fraudulently signed with willful intent, said Application indicating that Registrant believed that the “Applicant is the owner of the trademark/service mark sought to be registered; the applicant or the applicant’s related company or licensee is using the mark in commerce and has been using the mark in commerce as of the filing date of the application ...and that best on the signatory’s knowledge and belief, no other person has the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion or mistake, or to deceive.” See Exhibit 8.

20. Registrant filed a second trademark application, Application Serial No. 86/504,392 for Block Burnaz of Memphis Tennessee on January 15, 2015. See Exhibit 9.

19. Registrant’s name and logo are confusingly similar in nature to that of the Petitioner. Both parties’ marks include two BB’s with the name Bloc Burnaz. City skyline in the background with flames on the street. See Exhibit 9.

20. Registrant was aware of Petitioner’s existence and ‘Bloc Burnaz’ mark as early as 2008 and agreed to meet at a motorcycle event, the Bikers Empowerment Training Conference held in Memphis Tennessee in 2009.

21. No licensing agreement has been granted to the Registrant for use of the mark “Bloc Burnaz” or any similar mark.

22. The Petitioner avers that the public in general is likely to be confused and deceived as to the origin and sponsorship of the Registrants services marketed under the Registrant’s alleged mark and misled into believing that the services are in some way directly or indirectly associated with the Petitioner, to the damage and detriment of the Petitioner and the reputation of Bloc Burnaz.

23. The Registrant knowingly admits in written correspondences with the Petitioner that they are aware of the Petitioner’s existence and having multiple chapters across several states. See Exhibit 6.

24. The Registrant knowingly admits that its only chapter is in Memphis Tennessee. See Exhibit 6.

25. The Registrant admits that it does not conduct business interstate. Instead, Registrant only conducts business locally in Memphis Tennessee. See Exhibits 6 and 10.

26. Said false statements were made with the intent to induce the PTO to grant Registrant a registration for the Block Burnaz MC mark, and reasonably relying upon the truth of said false statements, the PTO did, in fact, grant said registration to Registrant.

27. The Petitioner hereby submits the following supportive evidence for paragraphs 1-26 as exhibits for consideration by the Trademark Trial and Appeal Board.

Exhibit 1: Invoice for formal logo design of Petitioner

Exhibit 2: Certificate of Incorporation of State of Georgia of Petitioner

Exhibit 3: Previously-filed Federal Trademark Application Serial No. 85/259,137 of Petitioner filed March 6, 2011

COUNT 2 – LIKELIHOOD OF CONFUSION

28. Petitioner repeats and realleges each and every allegation set forth in paragraphs 1 through 27.

29. Registrant's mark "Block Burnaz MC" is extremely similar to Petitioner's mark "Bloc Burnaz MC" as both parties marks consists of the term "Bloc;" "Burnaz;" and "MC" and the "Block Burnaz" mark is applied to series identical or closely similar to services offered by Petitioner which are promoted in the same channels.

30. Registrant admits to the closely similar spelling of its mark to Petitioner's mark, in written correspondences with Petitioner on or about March 28, 2015. See Exhibit 6.

31. Registrant's mark "Block Burnaz MC" so closely resembles Petitioner's mark "Bloc Burnaz MC" as to likely be confused therewith and mistaken therefor.

32. Registrant acknowledges actual confusion amongst the general public in their communication with Petitioner on or about March 28, 2015 in which Registrant indicates that when people say they know people from their Atlanta Georgia chapter, Registrant informs those persons inquiring from the general public that they are not affiliate with Petitioner. See Exhibit 6.

33. Registrant's name and logo are confusingly similar in nature to that of the Petitioner. Both parties' marks include two BB's with the name Bloc Burnaz and city skyline in the background with flames on the street.

34. Petitioner has been and will be damaged by continued use of the "Block Burnaz MC" mark because Registrant has obtained rights in the mark in violation and derogation of the established prior rights of Petitioner.

35. Accordingly, Registration No. 4578733 should be cancelled, because the Registrant fraudulently obtained said registration.

COUNT 3 – FALSE STATEMENT THAT MARK WAS USED INTERSTATE
COMMERCE

36. Petitioner repeats and realleges each and every allegation set forth in paragraphs 1 through 35.

37. Registrant knowingly with a willful intent to deceive the PTO into believing that it conducts interstate commerce, submitted the trademark application for the subject mark “Block Burnaz” of Trademark Registration Serial No. 4578733, signed the Declaration, continued to prosecute the trademark application and later change intent-to-use to use-in interstate commerce status of the application. See Exhibit 8.

38. Registrant admits that the subject mark “Block Burnaz” is only used locally with regard to one chapter in Memphis Tennessee. See Exhibit 6.

39. Registrant fraudulently signed with willful intent, said Application indicating that Registrant believed that the “Applicant is the owner of the trademark/service mark sought to be registered; the applicant or the applicant’s related company or licensee is using the mark in commerce and has been using the mark in commerce as of the filing date of the application ...and that best on the signatory’s knowledge and belief, no other person has the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion or mistake, or to deceive.” See Exhibit 8.

40. Registrant filed a second trademark application, Application Serial No. 86/504,392 for Block Burnaz of Memphis Tennessee on January 15, 2015. See Exhibit 9. Registrant willfully attempted to deceive PTO in the declaration of the second trademark application filed.

41. Registrant knowingly admits in written correspondences with the Petitioner that they are aware of the Petitioner’s existence and having multiple chapters across several states. See Exhibit 6.

42. Registrant knowingly admits that its only chapter is in Memphis Tennessee. See Exhibit 6.

43. Registrant does not conduct interstate commerce. See Exhibits 6 and 10.

WHEREFORE, Petitioner Bloc Burnaz MC respectfully requests that the registration of the Registrant's mark, the Subject Mark, be cancelled.

We are located in Memphis, TN.....if you have any questions or concerns or anything you want to know in general. Please don't do it via FB you can always contact Prez-Confucius @ 901-870-2765

Lock my guy we never lied on you all you guys are not a subject matter for us. As, a matter of fact when ppl say we know ppl in you your GA chapt. We tell we are not affiliated with you all and we have much respect for your crew and you fellows are some kool dude. Yes, you are correct you have contacted us about merging and we respectfully declined each time. Yes this club was started in 2006. However, my background goes back to the 80's my guy my father has be on set since 1979 and is still currently active in a MC and he is a lifer had me in and around bike clubs all my life and I'm now 31....I probably know as much as you do if not more. **REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

Subject: RE: Trademark Application Serial No. 86001064 - Block Burnaz MC

Mr. Thompson,

Thank you for speaking with me this afternoon. Thank you also for indicating that you are willing to delete the portion of the ID that raised concerns regarding the collective membership mark application. As I mentioned in my initial email, I would also like to ask for a disclaimer of MC as it is a common abbreviation for "motorcycle club" and is thus descriptive of the applicant's services. And I would like to know the name of the applicant's partnership for the entity. After you have had a chance to review my suggested identification, please call me back and we can hopefully resolve all the outstanding issues via an examiner's amendment or a combination examiner's amendment/priority action. I am available at your convenience tomorrow.

As we discussed on the phone, my suggested ID is below. I know you indicated that your applicant would likely not want to submit an additional fee, so please let me know if you are willing to amend the identification of services as I've suggested, and which services/class your applicant would like to keep, or, if the applicant reconsiders and would like to keep more than one class and pay the additional fees. Please note that the specimen of record is acceptable for the use-based services in Classes 35 and 41, but not for Class 36.

Class 16 (based on an Intent to Use): stickers

Class 25 (based on an Intent to Use): T-shirts, women's apparel, caps, hats, jerseys, sweatshirts, sweatpants, short pants, jackets, wristbands, armbands

Class 35 (based on Use in Commerce): Club services, namely, organizing chapters of a motorcycle club and promoting the interests of the members thereof, as well as motorcycle enthusiasts; ~~indicating membership in a motorcycle club;~~ **charitable** club services, namely, organizing and conducting volunteer programs, **and** community service projects, ~~and charitable fundraisers;~~ ~~entertainment and education services, namely, providing a web site featuring presentations and information in the fields of motorcycle riding, motorcycle riding exhibitions, demonstrations, and topics of general interest;~~ charitable services, namely, organizing **volunteer programs and community service** projects that aim to improve the lives of underprivileged and impoverished people (specimen acceptable); (Based on an Intent to Use): Entertainment services in the nature of organizing motorcycle racing and exhibitions; entertainment services in the nature of organizing, arranging and conducting motorcycle riding excursions and shows; entertainment services in the nature of presenting live musical performances; charitable services, namely, organizing youth to undertake projects to benefit the needy and the community to encourage leadership, character, compassion, and good citizenship; ~~educational and entertainment services, namely, providing information, commentary, articles, blogs, and an online non-downloadable electronic newsletter in the fields of motorcycles and motorcycle culture;~~ arranging and conducting special events **for {applicant should specify the purpose of the event, e.g., business, or commercial or promotional or advertising purposes in Class 35}**; ~~educational services, namely, providing instruction and information in the fields of motorcycles and motorcycle cycle culture via the Internet, ongoing television, and radio programs;~~ educational services, namely, conducting conferences, seminars, webinars, workshops, and classes in the fields of motorcycles, motorcycle culture, and topics of general interest **concerning {applicant should specify the area of interest, e.g., motorcycle customization}**; educational services, namely, providing **{specify specific type of**

~~educational activity, e.g., training} program presentations in the fields of motorcycles and motorcycle culture and distributing course material in connection therewith in the nature of booklets, T-shirts, stickers, women's apparel, caps, hats, jerseys, sweatshirts, sweatpants, short pants, jackets, wristbands, armbands; online journals, namely, blogs featuring discussions and information on motorcycles, motorcycle culture, and topics of general interest~~

Class 36 (based on Use in Commerce): Organizing and conducting charitable fundraisers (specimen not acceptable)

Class 41 (based on Use in Commerce): Entertainment and education services, namely, providing a web site featuring presentations and information in the fields of motorcycle riding, motorcycle riding exhibitions, demonstrations, and topics of general interest **to motorcycle enthusiasts**; (specimen acceptable); (Based on an Intent to Use): Educational and entertainment services, namely, providing information, commentary, articles, blogs, and an online non-downloadable electronic newsletter in the fields of motorcycles and motorcycle culture; arranging and conducting special events **for {applicant should specify the purpose of the event, e.g., entertainment purposes in Class 41}**; educational services, namely, **{specify the form of the services, e.g., courses}** providing instruction and information in the fields of motorcycles and motorcycle cycle culture via the Internet, television, and radio; educational services, namely, conducting conferences, seminars, webinars, workshops, and classes in the fields of motorcycles, motorcycle culture, and topics of general interest **concerning {applicant should specify the area of interest, e.g., motorcycle riding}**; educational services, namely, providing **{specify specific type of educational activity, e.g., training}** program presentations in the fields of motorcycles and motorcycle culture and distributing course material in connection therewith in the nature of booklets; online journals, namely, blogs featuring discussions and information on motorcycles, motorcycle culture, and topics of general interest

I look forward to hearing from you.

Subject: Trademark Application Serial No. 86001064 - Block Burnaz MC

Mr. Thompson,

I am the USPTO Trademark Examining Attorney assigned to the above referenced application, for which you are listed as the attorney of record. I have some questions regarding the application which I would very much like to discuss with you. Most of them I believe can be resolved via an examiner's amendment or an examiner's amendment and a priority office action.

The specific issues I would like to discuss with you pertain to the applicant's entity (I need to know the name of the partnership), a disclaimer of MC, and the identification of services. With respect to the identification of services, one of the services identified appears to be a collective membership mark i.e., "indicating membership in a motorcycle club" which is properly classified in Class 200 and is not an identification appropriate for a service mark. Collective membership marks have specific requirements discussed in TMEP 1304. Could you let me know if you intended to identify a collective membership mark or a service mark? If you intended to a service mark, the remainder of the services require some clarification/reclassification and the specimen of record is not sufficient for some of the services identified. I would be happy to discuss my specific concerns with you on the phone and I believe that we can resolve the majority of these issues via an examiner's amendment.

Do you have a convenient time today or Monday to speak with me regarding this application?

WHO WE ARE

Established in January 2006, Block Burnaz MC is a charity based Motorcycle Club/Organization. We are a Non-Profit group of motorcycle enthusiasts that are active in the forward progress of the communities in which we live and work.

Block Burnaz has found acceleration in popularity due to our strong presence and involvement in the community, and through our many charity events that we host throughout the year. Beyond our charitable contributions to the community we are a law abiding motorcycle club that promotes safety. Our goal is to be recognized as a safe riding club within our city. We respect the Tennessee Highway Patrol and our local Police Departments.

All in all, we are group of upstanding men and women of many different professional backgrounds; a family of brothers and sisters who share a bond that goes beyond status, age, or the type of bike one rides. We are bonded group of motorcycle enthusiasts, who enjoy riding, and entertaining social gatherings, all while giving back to the community. We are the Block Burnaz Motorcycle Club of Memphis.
