The Board notes Respondent's ESTTA request filed November 9, 2015 for Board participation in the discovery conference, which was scheduled to take place by November 21, 2015, and Petitioner's pending motion to suspend proceedings.<sup>1</sup>

The parties are ordered to appear before the Board by phone at 1:30PM EST on Monday November 30, 2015 for the discovery conference.<sup>2</sup> The parties are ordered to contact as the Board as follows:

DIAL 571-270-3000

---

<sup>1</sup> The file was not forwarded for action until November 19, 2015. To ensure prompt scheduling, the parties are urged to accompany an ESTTA request for Board participation in the discovery conference with a phone call to the assigned attorney.

<sup>2</sup> If a party is not available at the scheduled time, the party must discuss alternatives (except November 25 -26) with the other side, without including the Board, until the parties are in agreement upon when the conference will take place. The Board does not plan to reschedule remaining dates. Counsel for Respondent must call the Board to inform Elizabeth Dunn of the new time, regardless of who initiates the change. The Board will confirm any change by email to the parties.
