Opinion by Pologeorgis, Administrative Trademark Judge:

On August 13, 2019, the Board issued a final decision in this consolidated case. In its final decision, the Board, inter alia, sustained Opposition No. 91222391 contingent upon the issuance of registration of S&G Hampton Sun, LLC's application, i.e., application Serial No. 86386811, so as to establish constructive use priority of its pleaded HAMPTON SUN mark used in connection with the goods identified in its application. On August 30, 2019, S&G Hampton Sun, LLC submitted a status and title copy of its resultant registration, namely, Registration No. 5617639.

Opposition No. 91222391
Cancellation No. 92062549

Because the Board's contingency has now been met, Opposition No. 91222391 is sustained. The remainder of the Board's August 13, 2019 final decision stands as issued.
