v.

The Vibrant Media Group LLC

Geoffrey M. McNutt, Interlocutory Attorney:

The Board notes the parties' settlement agreement, which they designated as confidential and filed under seal on September 19, 2016.¹ The Board further notes that as part of the settlement the parties have agreed to file a stipulated dismissal of this cancellation proceeding.

The parties are allowed **TWENTY DAYS** from the mailing date of this order by which to file the stipulated dismissal. The parties' stipulation should indicate whether dismissal is to be with prejudice or without prejudice. *See* TBMP § 605.03(a). The stipulation may be executed by either the parties or their counsel.

Proceedings otherwise are **SUSPENDED**.²

¹ For future reference, the parties are advised that typically it is not necessary for parties to file a copy of their settlement agreement with the Board. Rather, they may simply file a stipulation stating the desired disposition of the proceeding. *See* TBMP § 605.03(a) (2016).

² Respondent's April, 20, 2016, objection to Petitioner's initial disclosures is moot and will be given no consideration.
