**Amy Matelski, Paralegal Specialist:**

On June 14, 2016, Petitioner filed a withdrawal of the petition for cancellation without prejudice, with allegations of Registrant's consent.

Trademark Rule 2.114(c) provides that after an answer is filed, the petition for cancellation may not be withdrawn without prejudice except with the written consent of Registrant.

However, inasmuch as Petitioner has stated that the withdrawal was with Registrant's consent, the Board will allow Petitioner an opportunity to submit Registrant's written consent.

In view thereof, Petitioner is allowed twenty days from the mailing date of this order in which to submit Registrant's written consent to the withdrawal, failing which the petition to cancel will be dismissed with prejudice.
