Victoria von Vistauxx, Paralegal Specialist:

Respondents' motion (filed January 13, 2017) to suspend this proceeding pending final determination of Civil Action No. 8:16-cv-03332-VMC-MAP, filed in the District Court for the Middle District of Florida, is granted as conceded. *See* Trademark Rules 2.127(a) and 2.117(a).

Accordingly, proceedings are **suspended** pending final disposition of the civil action.

Within **twenty days** after the final determination of the civil action, the parties shall so notify the Board so that this proceeding may be called up for appropriate action.¹ Such notification to the Board should include a copy of any final order or final judgment which issued in the civil action.

¹ A proceeding is considered to have been finally determined when an order or ruling that ends litigation has been rendered, and no appeal has been filed, or all appeals filed have been decided and the time for any further review has expired. *See* TBMP § 510.02(b).

During the suspension period, the parties must notify the Board of any address or email address changes for the parties or their attorneys. In addition, the parties are to promptly inform the Board of any other related cases, even if they become aware of such cases during the suspension period. Upon resumption, if appropriate, the Board may consolidate related Board cases.
