v.

Pharmadel LLC

**M. Catherine Faint,
Interlocutory Attorney:**

On April 17, 2017, the Board issued an order suspending this proceeding pending disposition of the motion to strike Respondent's affirmative defenses, and noted the motion would be decided during a discovery conference with Board participation to be scheduled upon briefing of the motion to strike. On May 3, 2017, Respondent filed its response brief to the motion to strike, which is noted.

Also on May 3, 2017, Respondent filed a "notice of reliance" and a motion for summary judgment. As these filings are made during the suspension of these proceedings for briefing of the motion to strike and scheduling of the discovery conference, the "notice of reliance" and motion for summary judgment will be given no consideration by the Board.

Petitioner should contact the Interlocutory Attorney upon the filing of its reply brief, if any.

Proceedings otherwise remain suspended.
