STIPULATED REQUEST FOR SUSPENSION OF PROCEEDINGS

Petitioner, Taylored Brands LLC (“Petitioner”) and Respondent, Reabold Holdings Ltd. (“Respondent”) (collectively, the “Parties”) hereby stipulate to a suspension of the proceedings pursuant to 37 C.F.R. § 2.117(c).

The Parties have reached a contingent settlement. The settlement is contingent upon the Board’s acceptance of Respondent’s Consent Motion to Amend its Registration, and the USPTO Examining Attorney’s acceptance of a Consent Agreement entered into between Petitioner and Respondent relating to Petitioner’s U.S. Trademark Application No. 87/134,892 (“Petitioner’s Application”). Petitioner will submit the Consent Agreement in response to a pending Office Action issued by the USPTO. The Parties respectfully submit that this constitutes good cause for suspending the proceedings. *See The Tamarkin Co. v. Seaway Food Town, Inc.*, 34 USPQ2d 1587, 1592 (TTAB 1995) (suspending proceedings pending consideration of consent agreement by examining attorney).

If the Board grants Respondent's Consent Motion to Amend its Registration, and the USPTO Examining Attorney accepts the Consent Agreement and withdraws the refusal of Petitioner's Application, Petitioner will dismiss this Cancellation Proceeding without prejudice. Thus, the Parties stipulate to suspension of the proceedings. TBMP § 510.03(a). Alternatively, the Parties request that the Board suspend the proceedings for six months. *Id.*

Date: October 30, 2017

Respectfully submitted,

/ Melissa S. Rizzo /
