v.

James Hanton and Amber Hanton

Christen M. English, Interlocutory Attorney:

On August 23, 2018, the parties filed a stipulated motion to suspend proceedings pending the Examining Attorney's consideration of a consent agreement between the parties regarding Petitioner's pleaded application Serial No. 86830694. The parties' motion is well-taken and **granted**.¹

Accordingly, proceedings are suspended pending the final determination of pleaded application Serial No. 86830694 before the Examining Attorney, including any possible appeals.

Within **twenty days** after such final determination, the parties shall notify the Board so that this proceeding may be called up for appropriate action.²

¹ The parties correctly recognize that the Board does not have jurisdiction over Petitioner's pleaded application. The Board has jurisdiction over only Respondent's involved registration.

² During suspension, the parties must notify the Board of any address changes for the parties or their attorneys.
