**RESPONSE TO REGISTRANT’S MOTION TO
STAY FURTHER PROCEEDINGS; REQUEST FOR CONDITIONS**

Petitioner, Lange Windows & Siding, Inc., hereby advises the Board that it does not oppose Registrant’s Motion and requests conditions to the Board's approval. However, Petitioner notes that the civil action does not involve all the same parties as Registrant included several more Defendants in its civil action. Also, the civil action does not involve all the same issues because Registrant bases its lawsuit on eleven (11) different trademarks in its suit. Additionally, considerable discovery and preparation will be required before the case reaches the point of a final hearing. Because the issues in the civil action contain some issues that are identical to those in this opposition, however, Petitioner does not oppose Registrant's Motion To Stay Proceedings herein.

Pursuant to 37 C.F.R. § 2.117, Petitioner requests that the Board condition approval of Registrant's motion on the Registrant providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate.
