Christen M. English, Interlocutory Attorney:

On November 8, 2018, Respondent filed with the Board a copy of its initial disclosures and a signed copy of the Board's standard protective order.

Written disclosures or disclosed documents, requests for discovery, responses thereto, and materials or depositions obtained through the disclosure or discovery process should not be filed with the Board, except when submitted with a motion relating to disclosure or discovery, or in support of or in response to a motion for summary judgment, or under a notice of reliance, when permitted, during a party's testimony period. Trademark Rule 2.120(k)(8). The record reflects that the initial disclosures were not filed with respect to any of these specific reasons.

Respondent also did not need to file a signed copy of the protective order.

In view of the foregoing, the Board will give no further consideration to Respondent's initial disclosures or signed protective order.
